תיאור העסק — להדביק ב-Grok

Pitango Market is a fresh market and Asian grocery in southern Israel (Kadesh Barnea and Arad), with a retail store and wholesale delivery by our own vans. We bring fresh vegetables, herbs and chilies from local farms, together with Thai and Asian specialty products, drinks and snacks. The store is warm and simple: a white building with a red door, yellow shopping baskets, wooden benches and tables outside where people meet at sunset. Our customers speak Hebrew, English and Thai.

Brand style: fresh, warm, honest and colorful. Brand colors red #E03233 and green #66AA2C; logo = red pitango fruit with green leaves and the words PITANGO MARKET. Do not show any prices, price tags or numbers.
